

Monthly rewards program

What is the Monthly rewards program?

An ongoing contest where we reward our best members with rental credit – it's one of many ways we help our members thrive, keeping more money in their pocket.

Each month we select a member based on indicators such as their driving score, tenure, payment history, etc. The winner can use their rental credit against their future weekly payments.

How much can I win?

We allocate £500 in rental credit to one winner every month.

Who is eligible for the Monthly rewards program?

Every Splend member who meets the following criteria at the last day of each month is eligible for the next month's contest:

- Has more than three consecutive months of tenure
- Shared their Uber earnings data via the Splend app
- No missed payments during the month
- Has no outstanding debt at the end of the month
- Has an average safe driving score of 4+ stars at the end of the month

We automatically enter all eligible members into the Monthly rewards program.

How are the winners selected?

The Splend team will select the winner from the list of eligible members in each calendar month, taking multiple factors into account.

Members with a higher driving score, longer tenure, and a perfect payment history are most likely to win the monthly prize.

How do I claim the reward?

We'll apply a £125 voucher credited to your Splend account over four consecutive weeks – totalling £500.

Before claiming your reward, we'll ask you to do the following:

- Pose for a photo
- Conduct a short interview (less than 5 minutes)
- Leave a review on Google and Trustpilot

Can I transfer the rental credit to cash?

No, the prize is rental credit only.

When does the Monthly rewards program run?

Entries open on the first day of each month and close on the last day of each month.

Using August as an example:

- Entries for August open on the 1st of August
- Entries for August close on the 31st of August

What if I return my car with rental credit left in my Splend account?

If you return your car with rental credit still available in your account, this credit will be available in your account if you return to Splend.

General points

1. Splend reserves the right to change, end, or pause – in whole or in part – any rewards program.
2. Splend may update these rules at any time. If Splend makes an update, Splend will post the update on the www.splend.co.uk website. Continued participation in any rewards program after any update will mean that you have agreed to the update.
